**25561AVI**  
**Colours in the Sky: The History of Autair and Court Line Aviation**  
*G Simons* Covered in detail is the introduction of the Lockheed TriStar, the first of the type used in the Inclusive Tour business. Court Line Aviation and Tom Gullick's Clarksons Holidays brought to the fore the concept of value-for-money Inclusive Tour holidays. The orange, pink, turquoise and yellow jets brought flashes of colour to dreary British airports, and quickly streamed a multi-coloured rainbow across European skies to Mediterranean destinations and even further afield. Truly they did indeed put Colours in the Sky!
